

FOR IMMEDIATE RELEASE

OIM CALGARY WELCOMES JOEL BENJAMIN TO THE TEAM

CALGARY, ALBERTA (May 18, 2016): Osborne Interim Management is pleased to welcome Joel Benjamin (BA, MBA) to the organization as a Principal.

Joel is a senior human resources leader who brings deep expertise in executive compensation and total rewards planning, design and implementation. Experienced at developing total rewards programs that align and support the organization's business and people strategies, addressing the changing realities in the marketplace. Joel brings a strong understanding and consideration for the financial impacts, tax implications, proxy reporting requirements and cost management strategies that an organization faces when developing programs. He is a trusted advisor who works effectively from senior executive through to the field-levels and takes great pride in developing and mentoring other HR professionals. He brings with him an outstanding reputation for working with discretion and professionalism.

ABOUT OSBORNE INTERIM MANAGEMENT

Osborne Interim Management is a results-based organization that provides clients with senior level management on a short-term basis when they are experiencing challenges during periods of transition, crisis, rapid growth or economic uncertainty.

The Principals at Osborne are seasoned executives with at least twenty years' practical experience in the workplace. Their backgrounds cover a variety of core competencies and industry sectors and they've held high ranking executive and C-level positions at companies large and small, public and private, local and multinational, as well as not-for-profit. Based in Calgary, Osborne Interim Management also has Principals operating out of British Columbia and Edmonton.
