

FOR IMMEDIATE RELEASE

## **OSBORNE WELCOMES BOB HAWKESWORTH TO THE TEAM**

CALGARY, ALBERTA (October 17, 2017): Gordon Forbes, Managing Principal for Osborne Business Advisors, is pleased to announce that [Bob Hawkesworth](#) has joined the team as a Senior Advisor.

Bob builds collaborative, cross-sectoral stakeholder teams in complex policy environments. He creates innovative, realistic, and workable solutions to difficult problems. Bob brings a depth of knowledge and passion around energy efficiency, energy management, renewable energy projects as well as the housing industry. Bob uniquely combines effective leadership of strategic planning, change management initiatives and the development of public policy with the facilitation of public engagement.

### **ABOUT OSBORNE BUSINESS ADVISORS**

Osborne Business Advisors provide senior level consultants who can deliver solutions to complex client needs through their highly specialized skill set and applied experience.

Our Senior Advisors are accomplished business professionals with at least ten years of relevant experience in their field of work. They each have demonstrated career successes and have knowledge that spans a variety of industries having conducted work for companies large and small, public and private, local and multi-national, as well as not-for-profit.
